Hello Chris.

Well I think I found something of Help.

In Jefferson Co. N.Y. I found these Moshers. I also found #1 Isaac Luther in Brownville "WATER TOWN"
1818 to 1869 5 boys 6 girls
#2 Isaac Luther in Henderson outside Watertown. 4 Boys 3 girls.
Bishop Luther 3 boys 3 girls
Gideon Luther 5 Boys 5 girls
Smith Luther 4 Boys 2 girls
so these are these Moshers in Same County Next town, also got Moshers. "Allison" 1 male, 1 female
Jonathan Mosher 4 males 2 females

Now there was also 2 Seward Familys in Jefferson Co. George W Luthers wife was Catherine Seward so in this same county had Luthers & Moshers & Sewards pretty good

2.

Clues & things now a few more good Clues. George W. Had a Son Isaac, could be named after his Grandfather? also there was a Gideon. George had a Brother Gideon. Maybe you were right on Adaline Mary & Martha having father possibly Gideon. Gideon had 5 boys 5 girls. so here is my idea. If you can get to a Library for research. check out Jefferson on Mooers & Luthers & Sewards. I will work with L.D.S. Library here and send you copies of everything I find.

I have on order here film # 0448607 National Archives. for Sewards. Were born in England. film # 1436743 first presb. Church of Brownville film 0395274 Catholic Church Brownville. 1697779 Cemetaries Brownville includes the

I also ordered 1825 + 1840 Census

& hope we can work together on
this as it looks very promising
to me.

Emory.

P.S. I can get all L.D.S.
records here. Maybe you can
get D.A.R. of America Rev. records
or other Library records

Hello Chris.

It's been a while since I wrote to you. got last two letters back because of address change.

I have the death notice on George W. Luther. it states he died at county Home on 4/12/1884. Blind & infirmed. when you subtract his age 63 on notice it makes his birth 1820-21

I never did find his birth place or his marriage place + date. But I have him in Corning Ny. 1846. a son was born there 1846 Geo. W. Luther Jr. and a son Isaac. born there 1847 died as infant.

2.

His next child was Martin who was born 1848 in Short Ville tioga Co. Pa. near Middle-bury Pa.

I have read all of the record's from Salt Lake Library L.D.S. Church. for tioga Co. Pa. got a bundle of info. on him

I also read all tapes on Steuben Co. N.Y. Tioga Co. N.Y. Cayuga Co. Allegany Co. Albany Co. Broome Co. Chenango Co. Chemung Co. Oslego Co Saratoga Co. Dutchess Co Courtland Co Rensslaer Co Washington Co. what one had Luthers that were in Steuben Co. in 1830's Warren Co Herkimer Co Jefferson Co. in all there were 300 tapes can't me more than

2.500 and I have been active in it since 1985

Even going on P. mail I still work with George Luther in Florida he has nearly completed a new Luthers in America all my work is in it.

there were a lot of Luthers in Steuben Co. but none was related to our George. even tho they were in Hornel area. Very near Corning. Were a lot of Luthers in Bradford Co. pa. none in Georges family. Was also a George V. Luther in Yates Co. out side Valley Co. in 1856 "Born"

I have written to. Mr George Davis 5642 Crabapple Dr. Frederick Md. 21703 related to amos Luther up in Stevens mills near Hornell

they came from Washington
Co. My in 1817. no conection
to our George.

Dear Christopher

Enclosed are the sheets you mail my mother askin~ for Notes and answers to Questions. When you get your findings Could I buy a copy. I'm afraid that it (the history) will be lost and as time goes on I get so I want to know more.

You, your wife, family and of coarse father can meet and stay at my place I only live 3 or 4 miles from a'tais. the place isn't fancy and isn't finished but It's Big. I have some large 18x24 photos that we need to have copied of Grandma (Pearl + her Brother). Keep in touch + please come.

Does your father still travel to upstate to see a friends parents? Maybe we could arrange to meet at the same time.

Hello Christopher.

I hired a Research expert in Albany to try to get into records I may have missed.

An index K - L. Public Records County of Albany. 1630 - 1894 Grantors Volume VIII

There is something Interesting but also confusing. Under Luther Geo. W. "Not mine" we have Geo. W Luther Wife Phebe A. "Grantee" is Cornelius D Mosher 1867 Dec. 30 Recorded Dec. 31 Book 211 Page 335 Lot 6 Part of Lot 7 S.W. Corner Swan and Elm St.

Here is second reference same record next page.

Grantor George W Luther Grantee Cornelius D Mosher Wife Sarah B. 1870 Sept. 14 Recorded Sept 16. Book 234 Page 332. Lot #6 Part of Lot 7. S.W Corner Swan Elm St.

I can't understand this unless first deal fell Thru.

Note. this George W. Luther owned a coal business in albany I have checked him out before. they bought several lots of property and property was sold after his death by Executors

also in same records were Luther Benjamin wife Sarah Elizabeth Luther Ellis Luther wife mainette Franklin Luther James L Luther wife Mary Jeremiah wife Maria John P Luther wife Elizabeth

also John A. Sold by ~~Exec~~ Executor Leman B. Luther wife Hellen J.

Here is copy for you to study see what you think. It shows Luther + Mosher together in Albany Co. at one time Albany Co was big task in Rensselaer and part of Saratoga, so a study is needed maybe this George W or the others are also related after our Groups. a map of Albany may help. 1867 here is long time after our Luthers were there.

I am back in both Tioga Co NY and Tioga Co Pa. with few more films and fiches. then I will start on Dutchess Co. still have to find a family with Angaline Mary Lideon Martha + George. by way it looks like martha + Leo may be twins. I have his death record he died 2 dec. 1884 age 63 makes his birth 1821 and martha in your report is also 1821 thus possibly twins, also note that some twins Boy + Girl were named after important people. Geo. Washington and Martha his wife.

This Expert has narrowed down possible leads to Enoch Luther or a son of his in Dutchess Co.

He is checking Palentine Luthers but so far no connection to the German Luthers that are part of his own family. they were also in Dutchess Co + Albany Co so that makes it more confusing

I sure got into a mixed up mess with this work but I will stick with it till I find something.

By way Crack Luther is English and from Mass. but the idea of Valentine German still will be kept under study.

If you have any ideas lets take a good look at them.

Sincerely,

Emory

I got 6 more pics come in plus 3 films. 2 are Tioga Co N.Y. rest are Tioga Co Pa!

There are a lot of film on Tioga that is restricted so our chances are not too good

Need a favor from you. I have another Luther Mosher connection and would like to place her with parents.

Name is Harriet Mosher B 1822-23 [Shortsville, Chatham Twp, Tioga Co, PA]
Short Ville or Chatham d 5 Dec. 1861 is Bur. in Keeneyville She married Lowell Leisure Short. He was Born 17 Mar 1819 in Rhode Island. Mar 1830 or 31 lived in Chatham twn. Tioga Co. Pa. They had a family

one of Short History Says born N.Y. if so it would be Cayuga Co. N.Y.
Where the Short family came from to Chatham Pa.

Her daughter Mary Mar. Alonzo Luther She B. 1/4/1854 M. 1875 died 1913 Bur with Alonzo at Niles Valley.

If you would like a copy of Short History I will send it. but to me it is confusing the way it is done.

Now one other thing the History on Luthers. Gideon + Ebenezer are in Luthers in America. so far it seems like they do not fit into family of George W. and Arjaline Mary Martha. for one thing the 1850 census does not fit with George W. 1850 census has him 45 should be 35 by his Death Cert. Died 20 Dec 1884 age 63 Blind and infirmed at County Farm + buried there. also read 1860 Tioga Co history ages are also wrong. the way I look at picture census only good to show Luthers were there. even Gideon is 32 so he would be Kid brother of whole family.

Another closer look and you see George + Catherine would have been 55 at his birth seems unlikely to me. but with census reading age 35 in 1850 would be possible look at how old George W and Catherine

Would have been in census when George W Jr. was born in 1846 that date I have from records in Steuben county. he was 25 in 1870 Woodhull M.G censes he would be born 1845 or 46 that I have from History of Steuben Co. and fits all my records. It is my belief that George W and Catherine were Mar. in either Onrego or Corning as they lived in Corning 1845 census. N.Y. so I believe 1850 + 1860 census of Pa. is misleading or at least confusing.

So I studied 50 films of Saratoga Co without finding family of Luthers that anyabine Mary Martha George W Gideon would fit into

There is a Researcher in Troy N.Y. who is in Luther family and he is willing and able to do a search for $75.00 albany Library only he is German Luther and his Great Grandpop was John Luther

of Albany and may be one of the Germans that were settled in Stevens Toon.
He also works Troy Public Library
His Name is Dennis [illegible] Marr
3 overlook Drive Troy NY 12180
I believe when I get back from Vacation June 20 to July 20 I will hire him. there is always a possibility we can be German as well as English no proof so far and between films of Tioga Co Pa Tioga Co. NY + Saratoga Co NY I have had more than 100 films from Salt Lake Library already plus there on Steuben Co. NY how to be more than 125 already and I will do more yet on Tioga Co. NY plus Tioga Co. Pa.

Hello Christopher

I am now working in Owego. tioga Co. could not find any of my Luthers in Saratoga Co. thinking now Luthers & Mosher may have come from tioga Co.

Another thing you should do is review 1850 & 1860 tioga Co. Pa. they are very poor about being any good. in first place I have death Cir. for George W. Luther and he died a day dec. 1884 Blind and invalid he was 63 years old. that census was wrong by at least 5 years. George was married in Corning I believe may prove wrong in final writing but they were in Corning 1845 George Jr was born 1846 that part has proven in other records of Steuben Co. other children birth as correct but 1850 & 1860 census were wrong George would have been 31 not 41 in

1850

My records were also wrong on Hideon as the father. seems like he was born 1818 if you read census would make him Kid brother to Anjaline & Mary but older than Martha & George in 50 records I read on Saratoga I found no Luther family with any of these people in it. The way I am looking now for a family with Father born in about 1780 to be in age group to be father of Anjaline

Also I have given up on my trying to follow Luthers into New England till I see up case in New York.

I will keep in touch and keep you posted on progress. please let me know of any ideas you have that may help get it right.

As always Lenore

P.S. I took pictures of Head stone of Rensslaer & Martha. could not find many but there were other markers there. how I have been over & over and can't trace Harriet Mosher in family. she was not married mom of Mary & Hoit to my Grand dad & Alonzo last son of George born 1856. Harriet mosher was born Harriet was Married to Loud Short also of Chatham by way Knoxville is township in Chatham western part of Tioga Co. ℅ 1831 Birth Record from Short Genealogy. if you want a copy say so. I will tell you it is also very hard to follow. pretty mixed up.

Hello Chris.

Got your letter. seems like we are in same family. this looks like my George W. Luther.

I have ordered film from Salt Lake Library on Saratoga to see some of their Vital records.

I was under impression that George may have come down to Chatham from Corning but all I was able to find was a Caucas 1845 and corning history 1845 that he was in Corning.

I found nothing on his Wife Catherine Seward. still don't know where she is from or

any thing on her family.

Please keep me informed if you have any ideas for me to follow.

I love the help you have already provided as I was not able to move on George in a long time. I have collected a lot on masker family in Tioga county. I will continue to go over my records here on the Maskers and keep you ~~inform~~ informed on progress. I have on hand 1/2 fiche tapes on Tioga Co. newspapers 1840-1850-1860. also the Vital records & church records. I will review all of them for you.

I would like any information you may have on Luthers from your study.

I have sent a letter to Jean Robinson in Coffeeville Ks. got it

3/ back she has moved no forwarding address. Maybe you are related and can help on this one.

We have Luther families all over New York. one in Lake George not too far from Saratoga.

I was not aware that the Luthers & Moshers were tied together in Chatham and records from there are not to good. It shows what I was told. That old Census records were collected by W.P.A. crews. and most of them didn't know anything on how to do fob. 1850 & 1860 Tioga Census is very confusing to me.

In my family Alonzo & George W are father & son. Ernest is son of Alonzo. Lawrence is my Dad. all were born in Chatham & Elmer town skips in Tioga Co. so at least

4/
we have that much to work on

Laurence + Ernest left Tioga Co in 1923 came out to Congers, N.Y. Rockland Co. to share crop on a celery farm owned by George Botas who owned a farm in Wellsboro Pa they never returned to Tioga again for family reunions. however Ernest had two brothers & two sisters who stayed there and there families are still there

I have visited there many times. Will be out there again in May 1993. and will pay a visit to Knoxville area. to see if there are any cemetarys there with Luethes + Moshers in them.

I have records with three ways of spelling Mosher. may be just a case of Bad print. or typo errors. My Harriet Mosher. is spelled

5 two wives. in two records. so she may be in your family. If so she is mother of Mary Short wife of Alonzo Luther. I am going to check that record again to see who she is. and trace her family

My record show that Mosher family was large in Tioga ~~first~~ they were also in Rev. War.

Seems like Gideon Luther is in need of further study in Saratoga so I ordered tapes from Salt Lake library to check them out.

Hope to hear from you soon keep in touch. We may be able to work together in this family study.

Thanks very much

another question to hold in file is another mosher Luther family tie. family page 1515 Luthers in America a Godfrey mosher Luther. he may carry the mosher part from Grand mother who was wife of Dar "D A R". Luther married anna Lewis mosher B. Dec. 23 1866 lived in Grand Rapids Mi. Page 1513 looks like Luthers & Moshers go way back together. I hope this is some help for you on both familys.

Dar Luther (15) lived in Grand Rapids Mi. and was known beyond the borders of his state as a legend of Court reporters at the age of fourteen he ran away from school and studied shorthand in office of M. A. Ford while his Parents thought he was in school.

He was a newsboy for the Grand Rapids daily Eagle among his customers were the parents of Anna L Mosher who later became his wife.

at the age of sixteen he was officially appointed court reporter and was youngest in United States. From then until his death he served many of the Michigan courts being called for most important cases. He was called to serve in Washington D.C. and in Montreal and with Teddy Roosevelt + William Jennings Bryan

He was equal to any occasion and recalled that once a witness in a Muskegan Court stattered and often had to say word "egg" in order to stop and then talk coherently that night Dan told his friends that he had a book full of Eggs. In early childhood he united with Grace Episcopal church which membership continued all his life his wife was Dau. of John Bradford Mosher and Jennie Mann of Grand Rapids and later of Muskegon.

Here is another connection to a Mosher + Luther family may some day fit in place

Hello Christopher

got your letter looks like you got my missing link in my study. I have been 10 years searching every Luther family for parents of Geo W. was not sure W. was for Washington only family say so. Geo W is my 2nd Great Grandad. I have his family mostly complete and will send it to you. I can't find his Wife family either She was Catherine Seward. They were in Corning N.Y. 1845 Directory + Census. I believe were married there because they had a Child Geo. W. Jr. 1846 and Isaac. 1847 Isaac died as infant they were listed in Chatham 1848 had a farm there I have copy of tax records. They had a son Martin 1849 Dau. AGUSTA 1850 son James 1852. I can't find any info on them except Agusta married

a Seeley. James we have nothing after James we have Alonzo my ~~Second~~ Fuist Great grandpop then a girl Sarah 1859. George died in poor house Blind & Infirmed 12/20/1884 buried there. Catherine lived with Sarah for years. Sarah Married Wm. Campbell and had three girls Hazel. Edna and Sarah. lived in Tioga Pa. Alonzo married Mary Short and had 5 boys and 2 girls. Second Boy was Ernest Born 1/28/1881 Chatham he is my Grandpop. He married Myra Roe of Kennyville there first child Ella. first Son Lawrence B 1/5/1905 is my dad. It was his first son 5/19/1927. forced to retire at 62. heart problem aperated on Feb. 15 1989. had an inside defect had blow out patch installed. just like a flat tire. I am on full disability so we moved out here

with my children all three are here. Twins boy + girl are 36 Boy 42.
We have 4 bed ranch house if you come to Vegas we love company.
in 1926 my dad + Grandad lived in Darien Ct. worked on a dairy farm. they moved to Congers N.Y. again in 1927. Ernest had heart attack 1947 passed on Larry had one 1949 and one 1953 and passed on. My mom still lives in Congers N.Y. I have a summer place in Ellenville N.Y. Catskill Mts. looking for buyer.
My record shows Geo W Luther died 12/20/1884 and certificate of death says. 63 age. so he would have been born 1820 or 21. my family says 1808 Census says 1815. So take a number. I go with death certificate. Both Ernest and Laurence were born in Tioga

County Pa., left there in 1919 for Congers. they were celery + Onion tobacco farmers. this is good bck for me & have been visiting stokes all over Tioga Co Pa. S Steuben Co. N.Y. Corning area Hornell Ithaca and Elmira. found Luthers by hundred but not George W. & have been working with George in florida for 10 years. Have enough now to write another 1500 page book Luthers in America 1600 page history started at Swansea Mass 1600. We have family reunion every 5 years. last one 1989 had 250 there from all over N.Y. We have a minister at Hoosick falls N.Y. Lots of Luthers in Conn. and Mass. Do you have more on George. & am looking for parents + birth records.
P.S. I have 42 fiche records Emory Cousin Luther to check for more family & more later

Hello Christopher

Got your letter. Came in while we were on Vacation.

I will go over tapes I have on Mosher. I do have a copy of 1850 Tioga Census. It lists a Gideon Luther living with a Mosher family in Little Marsh. That is a farming & logging Village in Chatham Township outside West of Wellsboro. [HH: wm. Geo. Mosher]

There are many Mosher's in our Niles Valley Cemetery. I will review my tapes and let you know results from there.

I have been unable to trace George & Gideon Luther in Ten years. I have 40 tapes on Tioga Co. also on Steuben Co. I also have a list of tapes from Salt Lake City I have already viewed that are Vital records & Cemetary

news clips. That should be reviewed as I never made connection to Mosher family's.

Here is list of the films already reviewed for Luthers

George W.? Luther Washington is only a guess for his middle name it only apears in one place not in any records.

He Married Catherine Seward from whom I don't know. but they married in Corning Ny 1845 listed in Corning Census & Directory had a Son Geo. W. Jr. 1846 "Isaac. 1847 died as infant." in 1848 Martin who died in 1920 by drowning. Westfield Pa. a ~~Son~~ Daughter Augusta. 1850. she married a Salley lived in Elkland Pa. funny thing can't find any record on her but she did have a farm there from. Advent Luther that was

his father's Albert who died in 1855. I have the records of the farm from County tax office. He they also had a Son James 1852 No other records on him also had Alonzo 1856 he is my Great Grand dad. he married Mary Short had 5 Sons & two girls. after that a daughter Sarah. "More info. to follow"

All these records were checked for Luthers I will send you a list in near future I use it as a stray list for references Could & Should be checked for your Moshers. and others.

I will go over all 1/2 of the fiche I have for you on the Mosher family

Could this Martha Mosher be a sister of George W. Luther. Knoxville is close to Where the Luther settled. I have been 10 years after Geo. W. Luther it seemed like he dropped out of a tree

I hope you have me put me in new line as I am running out of area in Tioga Co.

I have counted the Albert Luther family in Elkland Pa. he was old enough to be father of George and his farm was sold to George's dau. so they knew each other lived only 10 miles apart. Also had a Simeon Luther in Sabinsville Pa old enough to be Georges father he was from Hornell N.Y.

Also had a Philip Luther from Groton N.Y who had a daughter in Schepping Pa ten miles east of Chatham also in Tioga Co. her name was Estee Colbath. they moved on West to Minn. but all were traced with no luck. Also had a Carol Luther in Tioga Co. from Luthers mills Towanda Pa. family of. Elisha Luther all were in Luthers in Ameri

T.

You can see I have been busy with new leads that so far led to nowere usa.

If you would like rest of Geo W Luther family I have a lot on him "not complete yet"

I will keep in touch also have people I write to that were in other Luther fam.

I guess that is all for now. Except to tell you a Luther minister lives near you his name is Gordon Luther in Baptist Church Woosic Falls Ny.

Sincerely Emory Luther

P.S. We were formerly of Ellenville N.Y. near Monticello and in Nanuet, Rockland Co. Was born in Congers N.Y. 5/19/1927
